Sub: - Account Opening for Pradhan Mantari Matshya Sampada Yojana in SNA Sparsh – reg.

Respected Sir,

As per the subject cited above we are writing to request the opening of an additional RBI account under the Pradhan Mantri Matshya Sampada Yojana (PMMSY) (3890) in the SNA Sparsh. As per the current arrangement, we have an existing account under this scheme. However, due to the sharing pattern requirements for different components of the scheme, we find it necessary to open another account. Specifically, one of the components under the PMMSY requires a sharing pattern of 50:50, while the rest require a 60:40 sharing pattern. To ensure proper financial management and compliance with the scheme guidelines, a separate account is essential for the component with a different sharing pattern.

We kindly request your assistance in facilitating the opening of this additional account at the earliest convenience for your necessary action please.
